

Distance

Considerable, that it is unbroken Prairie
 & there is no sign of any other corner & further
 more that I saw I picked up from the dirt that
 Saice Ball dug out the lower part of an
 oak stake which I am full satisfied that it is
 the stake that I saw set in Saice manner with
 I see now for that was a round stake with limbs
 trimmed off & this part of stake that I saw dug
 out by Saice Ball was a round stake with, not
 on same & I have often seen another stake round
 with a small white cloth on the same & I saw
 a part of an other stake dug out by Saice Ball
 which corresponds with that stake also
