

A hand-drawn diagram on a grid. A central point is labeled 'OCE' and 'P.E.'. Four lines radiate from this central point to four other points marked with circles. The lines are labeled with angles: 34.3, 36.4, 36.3, and 36.4. The points are also marked with small squares and have additional markings.

[illegible]

Hand-drawn sketch of a tree diagram on graph paper. The tree has a central node with 10 branches. The branches are labeled with numbers: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10. The branches are further divided into sub-branches. The left side of the tree is labeled "Triple Walnut" and the right side is labeled "10-12-42". The bottom of the tree is labeled "Shump".
