The above is a plat of a road petitioned for by A. E. White & others, commencing in the road running from Waterford to Billertown on the section line between Sections 8 & 9 in Township No. 88 R. 12 W. 1, thence running East on section line to East Township line of said Op. 88, 12. The route for a road is very good and a public road is needed by that neighborhood and therefore would recommend the establishment of the same as a public highway.
