Prob. 4th 1865

Set for final hearing

J. W. Adelman

The above is a true and correct ~~sketch~~ of the Verden road. Commencing at the North East corner of Section No. thirty five in Township No. Eighty Nine North of Range No. One and a half West then running West on section line to a point fifteen rods & six links West of the N.W. corner of the North East quarter of the North West quarter of Section No. 32 said Township & Range, then a South on line between lands owned by W. C. Richards & Wm. Pennell to the Waterloo & Carleton point road. A public highway on said route is much needed for the travelling public and I would therefore recommend the establishment of the same as a public highway.
