William Langston being  
truly aware that he is interested  
in the location and buying out of the  
N. & Lake Road, that Henry Meyer is  
that agent of James Shepley who is  
a settler in the outlying tracts of  
the Reserved State, and both of whom are  
advisers for Messrs in consequence  
of said proposed Road, that said  
Meyer trusted to and expected this  
applicant would look after his interest  
and also the interest of the said buyer  
in reference to said Road, that this  
applicant on the very first for said buying  
of this Road to wit: Feb 7<sup>th</sup> 1865, then  
understood and so informed said Meyer  
that he would have met the 3<sup>rd</sup> of  
May of March 1865 in which to file  
his said proposed claims for Messrs  
and that applicant has very reason to believe  
the said Meyer so understood the matter  
known to and advised Mr. Langston  
before me that 1<sup>st</sup> day  
of March A.D. 1865

The above is a correct plot of a road partitioned from Wm H Taylor and others. Said road commences at the South East corner of the NW 1/4 of Sec 20. T 87 No. 11 but there running west 80 rods, thence north to the Cedar Valley road. Said road is much needed for a timber road and a neighborhood road.

The ground for a public high way is very good & would be a great improvement of the same is a public high way. It is 33 ft. wide. 10 rods 20 ft. 63'.
