being on the west line of Lot 3 Sec 12 T88R13
was located in petition, all the West of State Road

I recommend to let it stand as it is, as
there is 2 or 3 families that would damage
very much. I also want to recommend
a consolidation of the State Road with the
location of the County Road as petitioned
for by, beginning on West Side of Lot 3
Sec. 12 T88R13 at the point across to them
Eastly with said Road to the Range line thence
South on the Range line ^{to the} Secs 7 & 12 to intersection of
of old State Road on point 100 feet West of
Cor to Secs 7, 12, 13 & 18 & I would also recommend
a part of the said Road to be vacated that
also not correspond with the actual Road as
petitioned for. I begin as follows at the West
Side of Lot 3 Sec 12 T88R13 R12 on thence
Eastly along said Road until it crosses the
said Road thence South Eastly with the
said Road to ^{to the Range line} Sec 79 Chain & 61 ^{to the Range line} thence
S 42° E 34, 67 to a point on Section line Road
N. 30 West of 1/4 sec. Cor between 13 & 18 T88R12
& I also would recommend the location
of a County Road as petitioned for beginning
at the S E corner of Range N 88° R 13 West
thence North on the Range line to the intersection
of the said Road & the above Chain & 61 line thence
thence is 2 Chain & 34 feet South of 1/4 sec. Cor 7 & 12
T88R13 Secs 12 & 13 W. & as the above Road could
not be located without out a survey & therefore
that employ John Doe the Co. Surveyor to assist
to locate the same therefore he will proceed
on the 18th of June 1867 to survey & locate the
same See Surveyor part of the same I have made
a careful examination of the above & recommend that
you accept the above Report of J. D. Butler

To the Honorable Board of Supervisors
of Blackhawk County Iowa.

We the undersigned Citizens
of the County of Blackhawk, in the State of
Iowa, do petition Your honorable body
to appoint a commission to view &
report the expediency of changing a portion
of the Baden Mills & Baden Rapids State Road as
follows to wit. Commencing at the West
line of Lot No (3) thence in Section No (12)
and Sec. 8. S. R. No 13 west 5th P.M.
thence along the County Road to the location
line of the Baden Rapids & St Paul R.R. thence
along said location line of R.R. to an inter-
section with the County Road. Thence along
the line of the County ^{Road} to intersect at a point
on the East line of Sec 9 of Section No 19,
S. R. 8. S. R. No 12. west 5th P.M.

Also to vacate the County Road commencing
at the angle where said State Road is proposed
to follow the location line of the R.R. to the
point where said State Road is proposed
to intersect the line of the County Road.
Also to establish a Road commencing
at the South East corner of S. R. 8. S. R.
No 13 west 5th P.M. thence North along
the S line until it intersects the State
Road as proposed for.

Your petitioners ask the change
of said Roads for the following reasons

ing. First the proposed change will
relieve the wants of the public to a far
greater extent than we now to cater.
Second, the proposed change will be
on better ground for a Road, & finally
the proposed change will do away with
one line of Road thus relieving the
burden of keeping up two Roads instead
of one, all of which is respectfully
submitted.

Transd all then by these presents, that we Samuel White as principal and Isaac Sumner and S. A. Gott as sureties are held and firmly bound unto the County of Blackhawk State of Iowa in the penal sum of one hundred dollars for the payment of which we bind ourselves jointly and severally by these presents.

Now the condition of the above obligation is such that whereas there was on the 11th day of January A.D. 1867 a petition presented to the Board of Supervisors of Blackhawk Co. Iowa praying for a change of a portion of the Cedar Falls & Cedar Rapids State Road as follows to wit: Commencing at the west line of Lot No

(3) Thru in section No (12) thence $\frac{1}{4}$ No (88) N. R. No 13 west 5th P. M. thence along the County Road to the location line of the Cedar Rapids and St Paul R. R. thence along said location line of R. R. to an intersection with the County Road. Thence along the line of the County Road to intersect at a point on the East line of N 6th of section No 19. $\frac{1}{4}$ No 88. N. R. No 12 west 5th P. M.

Also to vacate the County Road commencing at the angle where said State Road is proposed to follow the location line of the R. R. to the point where said State Road

is proposed to intersect the line of the
County Road.

Also to establish a Road, commencing
at the South East corner of Sh. No. 88. N. P.
No. 13. west 5th P.M. thence North along the
sh line until it intersects the West Road as
proposed for.

Now, if the said Samuel White
as principal, or DeHoff and Isaac Turner
as parties shall pay all
costs and expenses which may legally accrue in
consequence of the filing of said petition, pro-
viding that on the final hearing thereof said
Roads should be rejected, then this obligation
to be void, otherwise in full force.

Witness our hands and seals this 11th
day of January A.D. 1867.

ELEGANT COOPER, CORN.
Waterloo, January 14th 1867.

St. Anne's Catholic Church

You are hereby notified that you have been appointed a Commissioner to view and if required, to locate, a *Change of* County Road, petitioned for by *Wm. S. Smith*

and others. Said Change is Road petitioned for, is to commence at the West line of Lot 3 Sec. 12, T. 38 N. 13 R. 13 W. of 5th P.M. Thence along the line of the County road to the location of the line of the Cedar Rapids & St. Paul RR. Thence along said location of line of RR. to an intersection with the County Road. Thence along the line of the County Road to a stake at a point on the East line of N. E. 1/4 Sec. 19, T. 38 N. 12 R. 13 W. - At which corner County road commencing at the angle where said stake is a line proposed to follow the location line of the RR.

To the point where said stake Road is proposed to intersect the line of the County road. Also to establish a Road commencing at the south East corner of St. 38 R. 13 Thence north along the St. line until it intersects the stake road as proposed for

You will, therefore, appear at the Office of Clerk of said County in said County, on the 19th day of January A. D. 1867, at 11th A. M., and qualify according to Law, and proceed immediately to the discharge of your duty and make your report thereon according to Law and the following Instructions, on or before the next term of this Court:

1. In your survey of this Road you will particularly describe the point of commencement, with reference to some monument record, which will generally be found to consist of corners in the public and private surveys; the exact course and distance from some one of which, you must give in your field notes.
2. You must also measure to, and in your field notes return the distance to some section or quarter section corner, from the point where you intersect each and every line of sections in the public surveys.
3. The point at which you terminate your survey must be ascertained and returned by reference to the same evidence as is herein required for the commencing point.
4. All letters and figures inscribed upon wood must be cut with a "marking iron," similar to that used in the government survey of lands.
5. Where bearing trees are taken, (and it is strongly enjoined that, if within ten chains of an angle, they should without fail be taken,) a smooth face fronting the angle of the Road, should be made as near the ground as practicable, and in this face should be cut the initial letters of the points of beginning and ending of the Road. For example—a Road from Dubuque to Cascade: D. & C. R. When bearing trees cannot be had at angles, it is recommended that the bearing and distance to a boulder, edifice, or corner of an enclosure be taken, and where this is impracticable, a large mound of earth should be raised at the point of the angle.
6. Marks in timber will consist of a smooth blaze with a notch in the center, except those trees which the line cuts, each of which must have three notches, both upon the side which the line strikes and that upon which it leaves the tree.
7. After completing your survey of this Road you must carefully protract the same upon paper, with a view to the detection of all errors, either in your chaining or course.
8. Before commencing your survey you must compare and adjust your chain to a standard kept for that purpose, in this office.
9. These Instructions in no way relieve you from each and every duty prescribed by the Code of Iowa, pages 91 and 92.
10. Your compass must be adjusted to run upon the true meridian; that is, the true magnetic variation only must be employed, and this must invariably be stated, and all changes, as a part of the field notes of this survey.

Given under my hand, and the Seal of said County, at my Office in Waterloo, this

Seventeenth day of January

1867.

To the Hon Board of Commissioners
of Mass House County of Iowa

We the undersigned would
respectfully represent that we are
residents of said County of Iowa
above living on and near the
line of the State Road running from
Leoda Rapids to Leoda State, Iowa
that we are opposed to and most
respectfully remonstrate against
the location of any portion of said
Road in the County of Black Hawk.
As we said and especially against
said Road passing the location
by Whitcomb's & Turner's shad.
in Leoda Township in said
County. For the following reasons
said Road has long been established
is a private & therefore
for a great distance through
the Leoda Valley, and is one of the
most travelled Roads in said
County. That some of the undersigned
have purchased farms improved
lying along the line of that portion
of said Road, saying the nearest
there built dwellings houses there
also will be deprived of a public
