To the undersigned citizens
and persons residing in the
Village of Waterloo in said County
do most respectfully demonstrate
against the location of a main
street in said Village of Waterloo
or any portion thereof as petitioned
for by Daniel Bruckner and
others, for the reason that said

of the same across the vacated is
much needed for public use
as entrance of approach to the
Cedar River, and as the said
Village is laid out said street
extends from the south edge of
said Village on the West side
to the North side of said Village on
the East side of said River. The location
of said portion of said street is not actual
on account of benefit to the public
but is solely for private purposes
