

Palmer Road

To the Hon County Court of
Blackhawk County Ia.

In accordance with a Commission from the
County Court of Blackhawk County State of Iowa author-
izing me to view, and if required to locate a county
Road petitioned for by Jno. Palmer and others.

Hearing viewed said route as required by commission
I find it practicable as per petition except in two
points which I have varied from section line as per
plat and field notes herewith attached. I believe
the petitioners will be very much benefitted by said
road. Some three miles of the road have been worked
and the remainder can be built with moderate ex-
pense. I have therefore surveyed and platted

Wm. C. Palmer

payment in full of my fees as Appraiser
in the Palmer Row (No. 272)

October 18th 1873

A. Scottell

To the Honorable Board of
Superior Blackhawk County
Iowa

Amctown

As according
with a commission from you dated June
19th 1865 appointing me Commissioner
I receive and if expedient, to locate
a county road between far by
Palmer and others to be called
M. Palmer road. I heard Mr. Turner &
replied as follows:—

I carefully viewed and examined
said road and deemed it in-
portant that the road should be placed
at the earliest possible moment. I called
to my attention its necessary aid,
and proceeded to lay out and mark
the same according to law on the 2nd
day of July 1865 as directed. and I
have located the road at several
with your commission naming corner
measuring at South East corner of
Section 35 Twp. 8 N. Range 14 Thence
North on said line to the South East
corner of Section 11 Twp. 8 N. Range
14 exhibiting two slight variations
noted as follows: along said line of
Section 26 Twp. 8 N. Range 14. com-

encing at North East corner of Section
26 Twp. 8 N. Range 14 Thence South 35.84
ch to a stake placed on Section line Thence
S 30° 10 1070 ch to a stake Thence S 17° 08
3.20 ch to a stake S 20° 08 5.00 ch to
Section line Thence South to South East
corner of Sec 35 Twp. 8 N. Range 14.

The other variation is noted as follows
commencing at a point 300 ch North
of SE corner on East line of Section 26

also is a stake placed on section line thence
S 30° W 1070 do is a stake thence S 17° E
5.20 do is a stake S 20° E 8.00 do is
section line. Thence south to south-east
corner of sec 35 Twp 87 R. 14.

The other variation is noted as follows
commencing at a point 3.00 do north
of 92 corner on East-line of section
14 Twp 88-R. 14 thence N-39½° E, &
a stake on south bank of creek thence
north across said creek to a stake on
west side bank thence N-40° W to section
line 3.00 do (is a stake) thence south &
south-east corner of section 11 Twp 88
R. 14. The variation on right the
first being made to avoid building
the road through a low infraction
the place, and crossing a small stream
twice. The other to ~~the~~ to make a
suitable crossing on the Blackhawk.

The stream requiring a bridge so that
it would be impracticable to lay the
bridge upon the section line.

I deem the road a very necessary
and practicable one of being now
traveled over some two-thirds of its

length.

Great commissions would therefore
recommend that this road be opened
at the earliest practical period.

D. A. Angsten
Commissioner

Learn and assistant furnished
by John Palmer
Chairman John Palmer

Wip.
D. A. Bryant
(Commissioner)

STATE OF IOWA, } SS.
 Blackhawk County, }

Do *C. C. Snyder*

You are hereby notified that you have been appointed a Commissioner to view, and if expedient, to locate a county road, petitioned for by *Palmer* Road, and others, and to be called the *Palmer* Road, described as follows:

Commencing at the *South East corner of Section 35*
in Township 34 Range 14 west of Merue
North on said line North South East corner
of Sec 11 in Township 38 Range 14

You will, therefore, appear at the office of some Justice of the Peace, Notary Public, or Clerk of the Board of Supervisors, and qualify according to law; and on the *6th* day of *July* 18*68*, you will proceed to commence the examination of the route above described, and if, in your judgment, the above road is needed, or one in the vicinity answering the same purpose, you will call to your assistance the necessary aid, and proceed to lay out and mark the *same* according to law and the following instructions, and report to the Board on or before the *1st* day of *Sept* 18*68*.

1. In your survey of this road you will particularly describe the point of commencement, with reference to some monument record, which will be generally found to consist of corners in the public and private surveys; the exact course and distance from some one of which you must give in your field notes.
2. The point at which you terminate your survey must be ascertained and returned by reference to the same evidence as is herein required for the commencing point.
3. All letters and figures inscribed upon wood, must be cut with a "marking iron," similar to that used in the Government survey of lands.
4. Where bearing trees are taken, (and it is strongly enjoined that it within ten chains of an angle, they should without fail be taken,) a smooth face fronting the angle of the road, should be made as near the ground as practicable, and in this face should be cut the initial letters of the points of beginning and ending of the road. For example--a road from Delhi to Colony--D. & C. R. When bearing trees cannot be had at angles, it is recommended the bearing and distance to a boulder, edifice, or corner of an enclosure be taken, and where this is impracticable, a large mound of earth should be raised at the point of the angle.
5. Marks in timber will consist of a smooth "blaze," with a notch in the centre, except the trees with the true cuts, each of which must have three notches, both upon the side which the line strikes, and that upon which it leaves such trees. All posts must be set up at every mile, and the distance marked thereon.
6. After completing your survey of this road, you must carefully protect the same upon papers, with a view to the detection of all errors, either in your chaining or course.
7. These instructions in no way relieve you from each and every duty prescribed by the laws of Iowa Revision of 1860, pages 134 and 135.
8. All your assistants are required to be sworn by some person authorized to administer oaths.

Given under my hand and seal, this *19th* day of *June* 18*68*

W. B. Hubbard

Clerk Board of Supervisors.

By

J. C. Palmer

Deputy.
