

Cedar Falls - Cedar City Rd.

There will be a Section presented to the Court
of the Board of Supervisors of the Westchester
County on the 6th day of July 1867.
For the explanation of a communication
see I report on the expediency of
laying out a County road commencing
near at the East end of the New
Bridge near the Cedar River at Cedar
Hills in said County. There necessarily
to a point they have now found of
the ^{East} side corner of section 16 have
89 range 1st Range in a third
sectionally section to a point where
the same would intersect the road
from Westerlo to Saratoga at
Cedar Hill. & a point at or near
the present middle road of which
all information will be made &
shown themselves accordingly.

State of New York
Westchester County
J. S. Smith June 5th 1867.

J. S. Smith being duly sworn to say
that I posted on the 5th day of June 1867
I posted four notices of which the foregoing is
a true copy, at the following places to-wit
One on the Court House door and three in
public places on the ^{high} highway Road in
Cedar Hills township J. S. Smith

Subscribed & sworn to before me this 6th day of June 1867. Justice E. H. Clark

The Madison Board of Supervisors of Blackhawk
County Iowa -

When petitioners citizens of Blackhawk
County would respectfully represent that
a county road is necessary for the con-
venience of the traveling public; from
the point hereinafter named to intersect
the road leading from Waterloo to Jewell
on the east side of the Cedar River - and
then setting over therefor ask that con-
-sideration may be appointed to survey
and locate a County road commencing
at a point at the east end of the highway
bridged over the Cedar River at Cedar Falls
in Iowa County, thence easterly to a
point thirty four rods south of the north
east corner of section twelve. Town 34 Range
14. thence in a north easterly direction
to a point where the same would intersect
the road leading from Waterloo to Jewell
at Cedar City at a point at or near the present
travelled route -

And upon Petitioners and over - being
