The ~~unfortunate~~ ^{criticism} of the ^{city} of
Hatch would undoubtedly but suggest
Reverend's opinion the situation of
perhaps the ^{city} or state would meeting
from ^{convenience} direct to Blackhawk
look as proper for by Medicine Whiskey
and other; among other reasons, because
it will necessitate always going on
the hill in front of the residence of
Mr. Wallace with heavy loads, and because
more than one road is needed for the
trade now and hereafter to pass in and
out of the city in that direction.
