STATE OF IOWA, } SS.
 Blackhawk County, }

To Samuel L. Barnett

You are hereby notified that you have been appointed a Commissioner to view, and if expedient, to ~~locate~~ ^{show} a ~~county~~ ^{State} road, petitioned for by Patrick Shanley and others, and to be called the Matilda & West Dodge Road, described as follows: to locate a road

Commencing at the North West Corner of Section 27, Township 41 N. Range 12 E. 1887. North of Range 41 N. Section 1144. West of the 1st P.M. - thence running East about one & one half (1 1/2) miles north westerly to the Matilda & West Dodge Road.

Also to vacate all that part of the above said Matilda & West Dodge Road which would cross the Section 1144. West of the 1st P.M. - thence running East about one & one half (1 1/2) miles north westerly to the Matilda & West Dodge Road.

You will, therefore, appear at the office of some Justice of the Peace, Notary Public, or Clerk of the Board of Supervisors, and qualify according to law; and on the 23rd day of April 1871, you will proceed to commence the examination of the route above described, and if, in your judgment, the above road is needed, or one in the vicinity answering the same purpose, you will call to your assistance the necessary aid, and proceed to lay out and mark the same according to law and the following instructions, and report to the Board on or before the 1st day of May 1871.

1. In your survey of this road you will particularly describe the point of commencement, with reference to some monument record, which will be generally found to consist of corners in the public and private surveys; the exact course and distance from some one of which you must give in your field notes.
2. The point at which you terminate your survey must be ascertained and returned by reference to the same evidence as is herein required for the commencing point.
3. All letters and figures inscribed upon wood, must be cut with a "marking iron," similar to that used in the Government survey of lands.
4. Where bearing trees are taken, (and it is strongly enjoined that if within ten chains of an angle, they should without fail be taken,) a smooth face fronting the angle of the bearing tree should be made as near the ground as practicable, and in this face should be cut the initial letters of the beginning and ending of the bearing tree, or corner of an enclosure be taken, and where this is impracticable, a large mound of earth should be raised at the point of the angle, and the bearing tree, either, or corner of an enclosure be taken, and where this is impracticable, a large mound of earth should be raised at the point of the angle, both upon the side which the line strikes, and that upon which it leaves such trees. All posts must be set at every mile, and the distance marked thereon. Stakes must be set at the crossing of fences and streams, and at intervals in the prairie not exceeding one-fourth of a mile each.
5. After completing your survey of this road, you must carefully protect the same upon paper, with a view to the detection of all errors, either in your chaining or course.
6. These instructions in no way relieve you from each and every duty prescribed by the laws of Iowa Revision of 1860, pages 134 and 135.
7. All your assistants are required to be sworn by some person authorized to administer oaths.
8. All your assistants are required to be sworn by some person authorized to administer oaths.
