Spring Creek & County line
Road.

Auditor's Office, Black Hawk County, Iowa.

To A. G. Moore

You are hereby notified, that you have been appointed a Commissioner to view, and, if required, to vacate a County Road, petitioned for by Charles C. Clehley

and others, and described as follows, to-wit:

Commencing at the South East corner of the South West quarter of the South East quarter of Section 26, Twp 87. Range 11 and running thence West to the Cedar River, being a part of Spring Creek and County line road No two.

~~and terminating at~~

You will therefore appear at the office of some Justice of the Peace, Notary Public, or other proper officer, and qualify according to law, and on the 26 day of February A. D. 1895. you will proceed to make an examination of the route above described. If, in your judgment, the above road is needed, or one in the vicinity of the route described, answering the same purpose, you may call to your assistance the necessary aid, and, each being duly sworn, cause said line to be accurately surveyed and plainly marked out.

You will connect your starting point with the nearest section corner or quarter post. When, however, there is a corner of a forty established in a permanent manner, more convenient, you may connect with it. In crossing a section line, NOTE that fact, and state the distance from the nearest section corner or quarter post. The plat of the survey to accompany the field notes should be on the scale of forty chains to the inch, with the section crossed by the survey laid off upon the like scale, and correctly numbered as per United States survey. Also, note all natural or artificial monuments or conspicuous objects, and the junction of streams. Also, report the number of bridges required, if any, and the probable cost thereof, on the proposed highway, as required by Chapter 80, Laws Nineteenth General Assembly. A strict compliance with these requirements is necessary, in order to establish a uniformity in the practice, and to enable the Clerk to correctly transcribe them for record.

You will report your proceedings, together with a correct plat of the proposed vacation of said road, to this office on or before the 20 day of March A. D. 1895.

WITNESS my hand and official seal at Waterloo, Ia this

18 day of February A. D. 1895.

I, A. G. Moore do solemnly swear that I will faithfully and to the best of my ability perform the duties of Commissioner on the above described road.
