Auditor's Office, ~~Blackhawk~~ County, Iowa.

You are hereby notified, that you have been appointed a Commissioner to view, and, if required, to locate ^{Broad-midth} a County Road, petitioned for by The School Corporation of Barclay and others, and described as follows, to-wit:

Commencing at the S W cor of Sec 36, 89, 11 S

and running thence North 1 mile

and terminating at the NW cor of said Sec 36, 89. 11

You will therefore appear at the office of some Justice of the Peace, Notary Public, or other proper officer, and qualify according to law, and on the 22nd day of June A. D. 1899 you will proceed to make an examination of the route above described. If, in your judgment, the above road is needed, or one in the vicinity of the route described, answering the same purpose, you may call to your assistance the necessary aid, and, each being duly sworn, cause said line to be accurately surveyed and plainly marked out.

You will connect your starting point with the nearest section corner or quarter post. When, however, there is a corner of a forty established in a permanent manner, more convenient, you may connect with it. In crossing a section line, NOTE that fact, and state the distance from the nearest section corner or quarter post. The plat of the survey to accompany the field notes should be on the scale of forty chains to the inch, with the section crossed by the survey laid off upon the like scale, and correctly numbered as per United States survey. Also, note all natural or artificial monuments or conspicuous objects, and the junction of streams. Also, report the number of bridges required, if any, and the probable cost thereof, on the proposed highway, as required by Chapter 80, Laws Nineteenth General Assembly. A strict compliance with these requirements is necessary, in order to establish a uniformity in the practice, and to enable the Clerk to correctly transcribe them for record.

You will report your proceedings, together with a correct plat of the proposed road to this office on or before the 22nd day of July A. D. 1899
