To T. J. Humphrey.

You are hereby notified, that you have been appointed a Commissioner to view, and if required, to locate a County Road, petitioned for by F. C. Gutknecht and others, and described as follows:

Commencing at the south-east corner of section eighteen (18), township eighty-eight (88) north of range fourteen (14) west of the 5th P.M. and running thence west between said section eighteen (18) and section nineteen (19) township and range aforesaid for the distance of one mile

and terminating at the south-west corner of said section eighteen (18). Said road to be three rods wide and the section line between said sections eighteen (18) and nineteen (19) above described to be the center line of the road.

You will therefore appear at the office of some Justice of the Peace, Notary Public, or other proper officer and qualify according to law, and on the 15th day of Oct A. D. 1891, 1902 above road is needed, or one in the vicinity of the route described, answering the same purpose, the may call to your assistance the necessary aid, and each being duly sworn, cause said line to be accurately surveyed and plainly marked out.

BLACK HAWK

You will connect your starting point with the nearest section corner or quarter post. When, however, there is a corner of a forty established in a permanent manner, more convenient, you may connect with it. In crossing a section line, NOTE that fact, and state the distance from the nearest section corner or quarter post. The plat of the survey to accompany the scale, and correctly numbered as per United States survey. Also, note all natural or artificial monuments or conspicuous objects, and the junction of streams. Also, report the number of bridges required, if any, and the probable cost thereof, on the proposed highway, as required by Chap. 80, Laws 19th General Assembly. A strict compliance with these requirements is necessary, in order to establish a uniformity in the practice, and to enable the Clerk to correctly transcribe them for record.

You will report your proceedings, together with a correct plat of the proposed road

to this office on or before the 15th day of Nov A. D. 1891, 1902
