

Gentlemen;

The undersigned respectfully requests that a high way ought to be established along the South Line of section 28 in East Waterloo township. The high way is now laid off along the south side of an old lake and which is now dry. The road can now be straightened. The very sandy piece of road running south east from west of the south west corner of the S. E. 4 of the S. W. 4 section 28, can thus be avoided. Mr Cotton will deed one half the land necessary to straighten the highway. If the road around the old lake bed be vacated, and all that will be required is one acre off the south of the S. E. 4 of said section, as Mr Cotton will deed the balance. This highway is in very poor condition. The people obliged to use it respectfully pray that you will help put it in better condition by straightening this part of the road.
