Carroll Road Case.

Know all Men by These Presents, That we, E. A. Carr County Auditor

as Principal, and Charles J. Wilson

as Sureties, are held and firmly bound unto said County of Black Hawk in the penal sum of One Hundred Dollars, for the payment of which sum, well and truly to be made, we bind ourselves, our heirs, executors, administrators and legal representatives, firmly by these presents.

~~And~~ the condition of the above obligation is such that,--Whereas,

E. A. Carr and others, have made application by petition to the Board of Supervisors of said County to open a highway known as the Carr Road;

Now, if said petitioners shall pay all the expenses growing out of said application, in case the said highway is not opened, then this Bond to be void, otherwise to be and remain in full force and virtue.

Witness our hands this 7th day of July 1910

E. A. Carr Charles J. Wilson

You will connect your starting point with the nearest section corner or quarter post. When, however, there is a corner of a forty established in a permanent manner, more convenient, you may connect with it. In crossing a section line, NOTE that fact, and state the distance from the nearest section corner or quarter post. The plat of the survey to accompany the field notes should be on the scale of forty chains to the inch, with the section crossed by the survey laid off upon the like scale, and correctly numbered as per United States survey. Also, note all natural or artificial monuments or conspicuous objects, and the junction of streams. Also, report the number of bridges required, if any, and the probable cost thereof, on the proposed highway, as required by Chap. 80, Laws 19th General Assembly. A strict compliance with these requirements is necessary, in order to establish a uniformity in the practice, and to enable the Clerk to correctly transcribe them for record.
