Respectfully

Washburn, Oct. 3rd 1925

Board of Supervisors
Washburn

And Mr. Foster and Board of Supervisors

I've been in to see you, but not

when you were there in regard to opening

a road south of barn on farm below Washburn

having to open these gates to get to farm

is not very handy.

Will you stand for road opening

you pay for fencing material and open road

again, as Jack Kelley can fence it before

fencing and completing.

Remembering you'll close the other end

eventually, and thanking you for past

interest and future favors. As well wishes

Amos Youngblood
