

A hand-drawn surveying diagram on lined paper. A central point is connected to several peripheral points. The diagram includes handwritten measurements in feet and angles. A vertical line on the right is labeled "Bridge". The measurements include distances like 118.7', 45.0', 45.8', 57.2', 47.3', 57.2', 53.1', 43.4', 45.7', and angles like 22.6', 24.0', 41.1', and 53.1'.
