

Sec. 22 N $\frac{1}{4}$ Cor.

Twp. Poyner

Sec. 22 Twp. 88 Range 12

N $\frac{1}{4}$ Corner

Found I.P. 1'x23", this evidently means someone established corner. S.C.M. set 3" up

No ties taken since it is easily found.

This point does not check the Gov't. Survey notes except for line.
