

set top of C.M. 12" deep

3.0' E. of Steel Culvert.

Hand-drawn site plan showing the layout of a house and its surroundings. The house is a rectangle with dimensions 14.37m (width) and 8.47m (depth). To the right of the house is a 'steel car post' and a 'steel culvert 3.0m dia'. Above the house is a 'concrete car post' and a 'steel culvert 3.0m dia'. A 'house base' is indicated by a dashed line. The plan includes various measurements and labels for different structures and features.
