

N₄' 27-88-12

Found L.S. $14" \times 8" \times 6"$ standing on pt.
just below old road bed, this is
the Corner stone without doubt.
J.C.M. 10" deep.

County Engineer's office established
Corner in 1928 & drove iron rod
but we did not find same
although we dug a hole 20' x 20'
x 9'
