

N $\frac{1}{4}$ 22-88-12

Found I.P. 1" x 23", this evidently
means someone est. Cor.

J.P.M. set 3" up.

No ties taken since it is easily
found.

This point does not check the
Government Survey notes except
for line.

N $\frac{1}{4}$ cor. sec. 22-88-12

36

5-15-91

Youngerman
