

$0 + 0.0$

Found nothing except a very large
3 to 4 trunk Cottonwood just about
on corner. E & L corner on the North
True line E & W, & on fence West.
2653.0' E of SW 34, 2650.7' W of
SE 34 - 88-13. True line N $\frac{1}{4}$ 34 to S $\frac{1}{4}$ 34
shows point (±) as set. If a stone
is under the large tree it is not
possible to find it, until tree rots
out. Random line ± chaining
from N $\frac{1}{4}$ 34 South shows point
on Sec. E. line at pluses given
above. A portion of the west line
S.C.M. is on true line between
Section Corners.
