

Sta.

0+00 E 1/4 Sec. 7-89-13

Dug at Sta 26+10.5 at a group of posts on Section line & fence going West. Found two old oak posts 1.0 ft below surface (see sketch)

and what looked like two old states but was unable to determine due to rotted condition of same.

Est. Corner in Center of four posts
at a 26+10.6' N of NE 18, & 26+10.6'
S of NE 7-89-13. There was no adequate
ly fence line from center section 7. The
Dist from & was 2666.1. I believe this
group of 4 corner post is the ^{NE} corner.
No other fences are around there
and there is little use for fences
it being a fishing and park area
and wild-life area. Area dug for corner
was 40' x 20' x 4'. The fences indicate
corner, although
